

The Mermaid Welcomes You!

The safety of our guests and our team members is our highest priority. To keep you and our team safe, we have implemented the following simple measures for everyone to enjoy our welcoming space and reduce risks:

- **Wear your mask.** Whenever you're not at the table & when a server approaches your table.
- **Respect social distance of others.** Maintain a 6 foot distance from anyone not in your party- this includes: moving through the space, waiting for a table or waiting in line for the restroom.
- **90 minute dining limit.** Allows other guests to dine. If we are at capacity- we will gently remind you when your visit is almost over.
- **Consuming Alcohol.** Please have your ID ready. Alcohol must be purchased along with food.
- **6 person max group size.** Groups over 6 people will not be seated across multiple tables. Everyone sharing a table must be from the same household.
- **Remain seated.** While dining, there cannot be more guests than a table size is designed to accommodate. No standing at a table or commingling with other tables is not allowed.
- **Restroom Use.** We have 2 restrooms available inside. However, we ask that you wait outside until an employee can escort you inside. No Mask, No Entrance.
- **Last call** for food is 1 hour & 45 for drinks.
- **No Smoking.** For the safety of our employees, there is No Smoking or Vaping in the outdoor dining area.
- **Payment.** We are unable to split checks or accept more than 1 credit card payment per table. Cash accepted.
- **Service Fee.** An **18% gratuity** will be added to tables of 5 or more and checks over \$100. An 18% gratuity will be added to credit cards left overnight.
- **Follow Staff Direction.** We have the responsibility and obligation to follow Local & County health guidelines to keep ALL of our guests happy!

Thanks so much for your patience and support during this challenging time—our community means everything to us right now.

LET'S GET THROUGH THIS TOGETHER,
PLEASE STAY HEALTH & KIND!
